

# Strait-Line® Aluminum Chalk Reel

**Brand:** Irwin

**Product No:** IWHT48441.MA

**Size:** 100' / 30.5M

## Description

- Multiple Strikes per Pull: 100 ft. abrasion-resistant poly line provides 5 to 6 strikes per pull
- Improved Hook Storage: Hook dock is nested to help reduce hook snags
- Quick and Easy Chalk Refills: Designed with a wide door for increased visibility when refilling
- High-comfort, Intuitive Design: Slim profile enhances your grip for low-strain use; center line can be used as a plumb bob
- Durable Construction: Aluminum housing provides impact resistance
- Reduced Line Damage: Innovative spool design helps preserve line and aerate chalk
- Simple Line Retraction because of 1:1 gear ratio
- Enhanced Strength and Torque: Robust steel handle and large center hub add durability
