

Blueskin® WB - Weather Barrier

Brand: Henry

Product No: BH200WB4559.WP ... more

Description

- [Residential Air Barrier Accessories - Window and Door Flashing]
- A self-adhering membrane, SBS modified membrane can be applied in temperatures as low as -12°C
- Consisting of an SBS rubberized asphalt compound, which is integrally laminated to a blue-engineered film.
- Excellent adhesion to prepared substrates of concrete, concrete block, primed steel, aluminum mill finish, anodized aluminum, galvanized metal, gypsum board and plywood
- Impermeable to air, moisture vapor and water
- Easy to install peel and stick application, no flame required
- Thickness controlled at point of manufacture
- Membrane is self-sealing when penetrated with self-tapping screws/nails
