

Delta® Sealant

Brand: Delta
Product No: 22610015.WP
Size: Case of 12

Description

- Elastic sealing compound for installation of DELTA®-MS and DELTA®-DRAIN.
- A black mastic formulation that is used to seal off the flat tab and overlaps between membranes during the installation process.
- Also used to seal off any gaps in the membrane created at interior and exterior corner installations where a tight fit may not be possible.
- 27 fl oz (825 ml) tube
