

Lighted Box Beam Level (3 Vials)

Brand: Swanson

Product No: BLL240.MP ... more

Description

- Precision-milled, heavy-duty aluminum frame. SuperShock molded rubber inserts encase skeletal plastic end caps. Ergonomic, rubberized grips. Deep, accurized V-groove for round and square stock
- Multi-ring vials indicate 2° and 4° grade for drainage—ideal for landscapers and plumbers
- 3 LED-illuminated vials for easier reading in dark workspaces. Durable acrylic block vials accurate to .029° (.0005 in.). Battery-saving 10-minute automatic shutoff
