

Crystal Clear Gorilla Tape, Clear

Brand: Gorilla

Product No: 6127002.AC

Size: 1.88" × 9 yard

Description

- Crystal clear: non-yellowing, however. long-term extreme heat will cause product to yellow
- Heavy duty: extra thick adhesive
- Flexible: conforms
- UV, temperature resistant: great for projects and repairs both indoors and out.
- Works underwater, can be applied to wet surfaces and also works underwater. Surfaces must be clean, smooth, non-porous, and water must be rubbed/pressed out from
- underneath tape. Not for use on applications under pressure or on seams. Overlapping tape may cause leaks.
- Made with a heavy-duty adhesive layer and waterproof backing for extreme durability.
