

N30 Series Non-Slip Strips Provide Step Edge

Brand: Ecoglo - Kinesik

Product No: N3050.CO ... more

Description

- LEED points qualified
- Recyclable; No disposable cost
- Install with premium polyurethane adhesive.
- Option for mechanical fasteners.
- Do not use mechanical fasteners when installing outdoors.
- Standard lengths 8ft
- The hard-wearing silicon carbide non-slip material is integrally bonded to the aluminum substrate. Thousands of people can walk on it with no signs of wear and tear.
- The rigid aluminum base spreads any applied load over a greater area of installation adhesive. Installation with a premium polyurethane adhesive/sealant is extremely durable, moisture resistant, and works very well on both smooth and textured surfaces.
- Provide step edge colour contrast and long-lasting anti-slip protection.
- The colour contrasting the non-slip material provides all-weather slip
- Tested to accelerated UV/weathering Exposure, Salt Spray Resistance, Freeze-Thaw Resistance and Washability.
