

“The Original” Hubbard Sled Runner, Wood handle

Brand: Kraft Tool Co
Product No: BL286.MA
Size: 14” × 3/4”

Description

- Long Wood handle. Concave joint blade
- Distinctive design allows for one tool to create three different concave joint sizes
- As the case-hardened blade wears out it can be replaced while keeping the handle
- Polished case-hardened steel creates smooth joints
- Use to create concave, half-round sunken joints
- Turn the blade to distribute wear
- Ideal for long courses of bricks and blocks
