

Caulking Gun, Professional Grade

Brand: Bellota
Product No: 50264.PD

Description

- For high viscosity materials: silicon, putties and polyurethane sealants.
- Friction propelled guns for greater precision.
- Force/effort ratio multiplier by 1:10, to maximize the force transmitted during application.
- Steel body for long life and maximum resistance.

Dimensions

365mm L × 56mm H

Weight = 730 g
