

PRO Tile Cutter

Brand: Bellota

Product No: PRO65.FT

Description

- Based on a unique design that combines aluminum and a smooth steel central surface. Easy to place and excellent sliding of the ceramic. Easy to clean.
 - Separating mechanism located outside the guides. Greater comfort whilst working, as the cut can be made without the need to remove the scoring lever.
 - Ambidextrous, progressive separator mechanism. Greater comfort whilst working, for both left and right-handed. High breaking power.
 - Zamak sliders with extra-wide self-lubricating bushings. Maximum resistance precision and fluidity.
 - Robust, ribbed and extra-wide aluminum risers with two anchor points.
 - Tool holder reinforced with a steel centre shaft and with interior brakes.
 - The scoring wheel quickly adjusts to the thickness of the tile and can be changed very quickly.
 - Round guides made of solid, chromed steel.
 - For high-density work. For cutting average sizes, medium and hard materials.
-
- Includes:
 - Case
 - Removal pads to avoid marks on the ceramic.
 - Lateral block for repetitive cuts and cuts at a 45 degree angle, 6mm and 10mm scoring wheels.
 - 6mm & 10mm scoring wheels
