

# Pro-Claw™ RSC Bar (3-in-1)

**Brand:** Estwing

**Product No:** RSC.ST

**Size:** Length = 16" 2.5" Fulcrum

**Made in:** USA

## Description

- Solid America steel. Truly a unique patented: roofing, siding, and construction bar.
- Large flat pry blade on one end, nail pulling wedge on the other
- Fulcrum giving it a higher lift than other bars.
- For removing shingles, downspouts, gutters and nails with ease.
- Other end has a Japanese pattern nail puller with a rounded head to improve leverage and pull even the most difficult nails.
- Made in the USA
